

GENTLE BEN

by John Judy

(Written August 4th 2003 for "Big News")

(Lights up on BEN AFFLECK on the phone.)

BEN: ...yeah, well you tell Matt if he keeps acting like a pussy I'm gonna have to fuck him like one.

(BEN hangs up and turns to the Audience)

Hi. I'm Ben Affleck. You may know me from "Chasing Amy" in which I fuck a lesbian and make her normal.

Or maybe you just know me because I'm boning Jennifer Lopez, which, I think you'll agree, not everybody gets to do outside of Los Angeles.

In my new movie, "Gigli", I'm at it again. And by "it" I mean "fucking a lesbian and making her normal."

Now a lot of people have asked me: "Ben Affleck, what's with you and lesbians? What is it about you that fixes them and makes them normal?"

The answer is right here in my pants.

It's my amazing Ben Affleck cock with patented dyke-fixing powers. That's right, my cock can turn the nastiest, lumberjack-looking diesel-dyke into a total hose monster with only one dose.

Just ask former lesbo, Ellen DeGeneres.

(ELLEN DeGENERES enters.)

ELLEN: I was so into women I even slept with Anne Heche. Then I met Ben Affleck's cock! Now I'm all better and I even have a new show on Fox. Thank-you, Ben Affleck.

(MELISSA ETHERIDGE enters.)

MELISSA: Hi, I'm Melissa Etheridge. I thought women were my muse and inspiration until I tried Ben Affleck's cock. Now I'm using it every day and I feel great! Look for my new album "Ben's Amazing Cock" in stores this Fall!

(DICK CHENEY and his daughter MARY enter.)

CHENEY: I'm Dick Cheney. Our entire nation and especially my dyke daughter Mary owe a debt of gratitude to Ben Affleck's cock.

MARY: I'd like to hang a medal on it!

CHENEY: **(chuckling)** Hey, that's the President's job, young lady!

MARY: Oh Dad...!

CHENEY and MARY: Thank-you, Ben Affleck's cock!

BEN: Don't mention it. Just dial 1-800-DYKE-FIX and ask for my cock. Right, J-Lo?

(J-LO enters and moves next to BEN.)

J-LO: Right honey. And come see us in "Gigli" and watch Ben fix me and make me normal.

BEN: With my cock!

(BEN and J-LO hold their poster pose as V/O comes up.)

V/O: Ben's cock can also raise the dead and transmute base metals into gold, but who cares about that?

J-LO: Matt's is bigger.

BEN: I know.

(BLACKOUT.)
