THE JEWS a.k.a. "THE LAST BIG NEWS SKETCH EVER"

By John JEW-dy

(Lights up low on a BUNCH OF JEWS.)

MURRAY

Oy-ez! Oy-ez! Oy vey ist meer! This meeting of the Learned Elders of Zion will now come to order! You want maybe we should all sit down?

SCHLOMO

Even though I am in the middle of a nosh, I second Murray's motion that we should all just sit here in the dark. It would kill you to turn on some lights, you cheap bastard?

MURRAY

What? Do I own stock in the electric company?

ALL

Yes!

MURRAY

Let's keep that among ourselves.

MIRIAM

Alright, if you would allow me to adjust my wig so it covers my horns, I will now read our first order of business. According to the media which we control: "Mel Gibson is onto us!"

ALL

Oy!!!

MIRIAM

We will now hear a first-hand report from our Jew-Cops.

(Two JEW-COPS, one male, one female enter and salute.)

BOTH JEW COPS (singing)

"Bad goys, Bad goys, whachya gonna do?
Whachya gonna do when you see a Jew?"
Shalom!

MALE JEW-COP

Six days ago on the 4th night of Av, year 5766, subject Mel Gibson was observed driving very nicely on the Pacific Coast Highway, probably to see his mother after rescuing a puppy from a big shark. In my capacity as a Jew-Cop, I pulled him over in hopes of getting him to renounce Jesus.

FEMALE JEW-COP

When we observed that subject Mel Gibson was stone-cold sober we realized we would have to frame him.

MALE JEW-COP

I drew and discharged my "Invisible Jew Alcohol" ray-gun...

FEMALE JEW-COP

...And I looked at him until he asked me a question.

MALE JEW-COP

I then pulled Mr. Gibson away from Officer Sugar-Tits and placed him in the squad car.

FEMALE JEW-COP

We drove Mr. Gibson back to the station...

MALE JEW-COP

... pretended NOT to alert the media...

FEMALE JEW-COP

... which we control...

MALE JEW-COP

...which we control... and while Mr. Gibson tried to pee in his jail cell we canceled his ABC holocaust series and started another war.

(BUNCH OF JEWS applaud.)

RABBI

Excellent work, my Jew-Cops! This month you'll both get an extra share of All The Money In The World!

YOUNG JEWISH GIRL

Mommy, for my bat-mitzvah I want Mel Gibson as a pet!

RUTH

Of course, darling, he can sleep in the slave-quarters with Pat Buchanan and Louis Farrakhan!

SOLOMON

Oh, it makes me want to sing! "If I were a rich man..."
Wait! I am a rich man! I'm a Jew!

MURRAY

Let's all go to Canter's Deli! Christian baby-blood's on
me!

(Shouts of joy in Hebrew. Blackout.)
